Pursuant to Local Rule 7-12, the parties stipulate to the following revisions to the deadlines governing submission of the Index to the Administrative Record and dispositive motions in section I of the Supplement to the Joint Case Management Statement that was filed on March 19, 2008, and approved by the Court at the case management conference held Friday, March 21, 2008. The deadlines in the Supplement to the Joint

NO. C-07-03950 JF
STIPULATED MOTION TO REVISE JOINT CASE MANAGEMENT STATEMENT

1 Case Management Statement were the first deadlines for submission of the record index
2 and dispositive motions entered by the Court and there have been no previous extensions
3 of those deadlines.

4
5 As described in the Supplement to the Joint Case Management Statement,
6 plaintiffs and defendant have been discussing a settlement of this case. Plaintiffs and
7 defendant continue to be hopeful that a settlement can be reached. Intervenor has not
8 been party to those discussions, and join this stipulation without prejudice to their pending
9 Motion to Dismiss.

10 While plaintiffs and defendant have had discussions concerning the administrative
11 record, and defendant has produced a draft index to plaintiffs, the effort of plaintiffs and
12 defendant has been on settlement and they have not yet agreed upon the excerpts of record
13 to be submitted to the Court. Accordingly, to allow plaintiffs and defendants to continue
14 to focus their efforts on settlement, an extension of the deadlines in the Supplement to the
15 Joint Case Management Statement is appropriate. Furthermore, the Court indicated at the
16 May 9 hearing on intervenor's motion to dismiss that it intends to grant plaintiffs' motion
17 regarding the administrative record, which is likely to require supplementation of the
18 record and a further extension of the deadlines for submission of the administrative record
19 and for dispositive motions. Thus, this extension is not likely to delay ultimate resolution
20 of this case.

21
22 Accordingly, the parties stipulate to the following revised deadlines:

23
24 July 14, 2008 EPA will file with the Court and serve on the other parties a
25 certified index to the administrative records and the
26 agreed-upon excerpts of the records.
27

1 September 15, 2008 Plaintiffs' Motion for Summary Judgment due

2 November 14, 2008 Defendant's and Intervenor's Oppositions and

3 Cross-Motions due

4 December 12, 2008 Plaintiffs' Reply and Opposition due.

5 Respectfully submitted this 15th day of May, 2008.
